Despite, snow, sleet and slippery streets, our 98th Annual Juried show was a success. Diana Thorneycroft's comments were enlightening and most encouraging. The standard of work submitted was high and sales were up this year. It is worth noting also the next generation of members are beginning to submit work with considerable success!

Let's celebrate the Season together by waking Santa from his reverie on Friday, December 11 with dinner at 7:00 pm at the Norwood Hotel Dining Room. Partners are welcome too!
