Our 100th Juried Exhibition

Arrangements have been made for our 100th Winnipeg Sketch Club Juried Exhibition to be at the Assiniboine Parks' Pavillion Gallery from December 3rd to January 20th. Make this summer the one to create a piece for this historic exhibition! Jurying will take place in November but it can't hurt to get a head start.

MANITOBA SOCIETY OF ARTISTS OPEN JURIED EXHIBITION

This year's OJCE will take place at Warehouse Artworks Gallery. Entry Deadline September 6th. The exhibition will run September 17 - October 14. www.manitobaartists.com/product/ojce-2017/

Model Convening

As Pam winds down her model convening duties this fall we will be looking for a member to book the nude models for the upcoming year. Please contact Karen if you are willing to do this essential task for the Club. Pam can provide you with our most recent contact list.

We will also be discussing plans for booking the clothed models in the coming months as well. In past years, members agreed to each take one month a year in which they are responsible to find 3 (clothed) models to pose. You can always sweeten the pot by telling the model they will make \$30.

Clean Up Sum Up

Clearing floor space was the name of the game, and that we accomplished thanks to Christine, Gisela, Sharon and her husband, Suzanne, Ron and Max. This clear headed group of creative problem-solvers have allowed us to make better use of the space by consolidating the items we regularly use and freeing the unused into the universe with help of the City's Free Day initiative. Not one thing left on the Boulevard!

After having the Club's Library assessed for value, it was determined it has very little, given its condition. We cleared a good deal of cupboard space by giving away unused magazines from the Clubs' Library that have been collecting dust. Some books have been donated to The Forum's Library and to their book sale. The more helpful books on anatomy, process, art history and books on particular artists have been retained as reference for our members. There will be a sign out clip board there for anyone who would like sign them out. Feel free to peruse them at your leisure.

Volunteer Carpenter Needed

If you happen to be handy with a saw, our model platform needs to have about a third cut off its length to fit it's new location a little better and a reattachment of the legs. If this sounds like something you can do...we need you! Just get in touch with Karen (204-453-2218) or at karmstro@mymts.net.
