120 Eugenie Street - workshop price: \$40  
IPhoneography "What is It?"

Sharen Ritterman is a local artist and member of WSC. She has explored this art form which is emerging world wide and uses it to develop her art. She will guide a tour exploring IPhoneography and set you on your way to enjoying this art form.

The camera in smart phones has taken mobile photography to a new level. This 4 hour workshop will provide a brief history of IPhoneography and explore some of the more popular apps used to make your mobile photos into art.

To register post or bring cheque made out to the
