Start Your September Off Right!

Over the summer Rob Sim organized Tuesday night sketching and it was well attended. Happily this means that you may expect to see new faces and generally more bodies in our sketching space. I would encourage you to arrive early to set up your easel or drawing horse and be considerate of the fact that there will be likely be someone behind you that needs to see the model as well. Remember that photography of the model is not allowed.

Our 102nd Juried Exhibition

Jurying will take place **October 15th** so you have a month or so to finish the pieces you would like to submit. Our Juried exhibition will be held at Assiniboine Parks' Pavillon Community Gallery from November 3rd until January 30, 2020. We are in the process of selecting a juror. Entry Forms for Submissions will be emailed to members the 1st week in October. Sketches done on Tuesdays are welcome as long as they are framed. At the moment we are looking for a Juror.

In Memory

Hildegard Sen ~ 1934- 2019

Hildegard was an honoured member of the Sketch Club for over 30 years, contributing her talented works to our Annual Juried Exhibitions for as many years. She expressed her frustration at not being able to attend sketching sessions as often as she would have liked over the last year or so due to health concerns. We had spent many hours life-drawing over the years and she will be missed. She recently won the Brian Hyslop Award for Pastel in the ongoing MSA exhibition. A Celebration of Life will be held on Sunday, October 20, 2019 from 4:00 p.m. to 7:00 p.m. at the Fort Garry United Church.
