## Our 102nd Annual Juried Exhibition

We really want to encourage those that have never displayed their work or had it juried to give it a try! Entry Forms have been emailed and there will be a few copies at the Club as well. So bring up to 3 of your works along with the submission fee and completed entry form to the FORUM at 7:00 on **Tuesday October 15th**. There will not be drawing that evening.

Our Juror this year is Milos Milidrag. He was a professor at the Fine Arts Faculty of the University of Pristina in the former Yugoslavia, until 1997 and has been living as a freelance artist in Winnipeg since 2001. Our Juried exhibition will again be at Assiniboine Parks' Pavillion Community Gallery from November 3rd until January 30, 2020.
