SKETCHING AGAIN!

Getting back to sketching from a live model has been great, although the 50% capacity limit to ensure personal distancing has limited the sketching opportunities for us. It's more important than ever that you make it count when it's your turn. If something changes or you don't feel well, let Karen know so that the spot can be used by someone else. Please arrive on time, so that we can all maximize that precious sketching time!

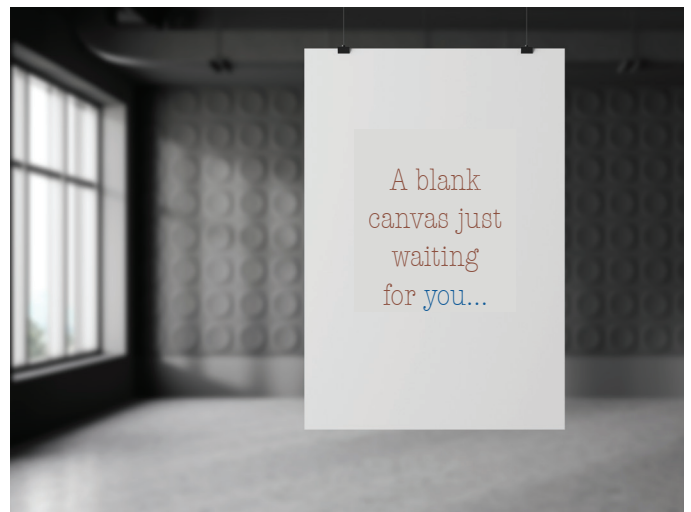

Model: Glenn

If you have photos of your work that you'd like to share in our next newsletter, or on our Facebook page, please send them to Karen at: karmstro@mymts.net

**Dear Members,
We Could Use
a Hand Here!**

Our Model Convenor and Club Secretary have decided to step away from the Sketch Club for the time being. We could definitely use someone to take notes at the 3-4 Executive meetings we have throughout the year and prepare the minutes.

The Model Convenor would be supplied a list of both clothed and nude models that have confirmed their availability this fall.

Both of these positions are crucial to keep this Club running. Please consider what you can do to help out.
